SUMMARY OF REDEVELOPMENT AGENCY OBLIGATIONS AND RISKS TO THE CITY (CONT'D.)

Lending Fund	Outstanding Obligation (June 30, 2010)	Loan Description and Terms	Funding Source Backup Obligation		
			General Fund	Other Funds	Total All Funds
Parking Fund Loans					
General Purpose Parking Fund (533)	\$6,800,000	<p>In April 2005, the City and Agency entered into a Loan Agreement whereby the City loaned the Agency \$6.8 million from the City’s Parking Fund, representing approximately two years of debt service the Agency would be paying on the Fourth and San Fernando Parking Garage. The loan was requested by the Agency in response to reductions in their tax increment revenue to “ensure the continuity of Agency projects and essential redevelopment programs”. The loan was originally scheduled for repayment in January 2009. In 2007, the loan was amended to defer repayment of the \$6.8 million loan until July 31, 2012 and eliminating the accrual of interest after June 30, 2007 if the loan was repaid by July 31, 2012.</p> <p>In February 2010, the loan was amended again. The principal payment shall be due on or before June 30, 2015. If the Agency pays by this date, it is proposed that interest for the \$6.8 million should be waived. If not, interest would accrue from June 30, 2007.</p>	\$0	\$6,800,000	\$6,800,000
Parking Capital Devlpmt. Fund (556)	\$1,682,899	<p>In March 2010, the City Council approved a loan to the Agency of \$1.7 million for the second debt service payment in 2009-2010 on the Fourth and San Fernando Parking Garage. In addition, \$3.4 million in 2010-2011 and \$1.7 million in 2011-2012 are programmed to fund the loan to the Agency for debt service payments for the same parking garage. An agreement between the City and the Agency calls for a full repayment of this \$6.8 million loan to the Parking Capital Development Fund in 2015-2016; however, this may change in response to City and Agency priorities at that time. The loaned amounts to the Agency for these purposes shall not accrue interest.</p>	\$0	\$1,682,899	\$1,682,899

Other Obligations					
Sub-Division Park Trust Fund (375)	\$8,111,800	The Agency owes the City deferred payments under the Parkland In-Lieu Fee for Low-Income Residential Units Voucher Program. The Second Amendment to the Merged Area Cooperation Agreement specified that the City and Agency would determine a payment date for these fees through the Agency's budget process. On February 2010, the City Council/Agency Board approved scheduling the payment by the Agency for 2015-2016.	\$0	\$8,111,800	\$8,111,800

Annual Agency Obligations with City Risk

The following annual obligations would need to be paid by the General Fund in the event the Agency could not meet these obligations (in millions of dollars):

4 th and San Fernando Street Parking Garage ¹	\$3.4
State Education Revenue Augmentation Fund (ERAF) Payment ²	4.5
HUD Section 108 ³	1.2
Convention Center Debt Service	15.0
Total Annual Agency Obligations with City Risk	\$24.1

- 1 For 2010-2011, this obligation is paid through a loan to the Agency from the Parking Capital Development Fund as described above.
- 2 The State's 2004-2005 and 2005-2006 budgets mandated payments to the State from redevelopment agencies state-wide. Because the Agency participated in the California Statewide Community Development Authority (CSCDA) loan program to fund its portion of the obligation, in the event the Agency has insufficient funds to make any of its ERAF loan payments, the County Auditor is required to deduct the payment from the City's first available ad valorem property taxes.
- 3 The Agency acquired two Section 108 loans through the US Department of Housing and Urban Development (HUD) for Agency projects. To the extent that the Agency does not make a timely HUD loan debt service payment, HUD may withhold Community Development Block Grant (CDBG) funds otherwise due to the City, since the loans are secured by the City's current and future CDBG funds.
